I am aware of the following **bans on entry** as per the general decree governing operations at day-care centres, schools and boarding schools in relation to combating the SARS-CoV-2 pandemic (announcement by the Saxon State Ministry of Social Affairs & Cohesion dated 13 August 2020, AZ 15-5422/4):

The following persons shall be prohibited from entering the aforementioned institution if they

- are proven to have tested positive for SARS-CoV-2,
- display at least one symptom indicative of SARS-CoV-2 infection,
- are proven to have been in personal contact with a SARS-CoV-2-positive case in the last 14 days, unless this contact was part of healthcare work or nursing, involving the appropriate protective measures, or
- have been in a high-risk area as defined by point 1. 2. 7. of the aforementioned general decree in the last 14 days, and no medical certificate has been provided, following return from the high-risk area, to confirm that they are not infected with SARS-CoV-2.

I am aware of the **infection-control measures** as per the aforementioned general decree, including the institution's hygiene plan as per Section 36 of the German Infectious Diseases Protection Act.
